CCC Cabinets will not be responsible for orders not placed on our order forms as well as fax/e-mail transmission errors. Please submit all orders to any of the following:

Order Confirmations

Order confirmations are submitted by fax or e-mail no later than 3 hours after. If for any reason you happen to not receive a quote in this time frame, please contact us by phone or email. An order will have a pending status and will not be prepared until it is signed and confirmed by the customer with a confirmation sent back to us via fax or e-mail. If you have a desired ship date for later (i.e. "Deliver on 4/22," "Call to schedule a date," or "Hold until further instructions have been given"), you can specify that in the order as well. If no such instructions have been given, our shipments will be sent out conforming to our lead time. Additional charges will apply for orders that are changed or cancelled after the confirmation is given.

Design

The CCC Cabinets catalog is available on 20/20. We use this program as a reference/design tool. When it comes to the actuality of the cabinet specifications, design, or pricing, it may differ from how it appears in the program. Accurate pricing can be given by any one of our sales representatives. CCC Cabinets is not responsible for any specification variations in the design program.

Our Lead Time

Un-assembled orders will generally leave the warehouse in 1 – 2 business days after confirmation. Assembled orders will generally leave the warehouse in 5 – 7 business days after confirmation. These time frames can sometimes change depending on the order size. Our lead time is applied to orders regardless of the shipping method (truck, pickups, carriers, etc).

Modifying Cabinets

Any sort of modification will be available for an additional flat fee. Depending on the type of modification you wish to apply, the fees will vary and are subject to change. Modifications are subject to our availability and can require additional lead time. Please speak to one of CCC Cabinets' representatives at our office to clarify which modifications are available. Any modified items cannot be returned under any circumstances. CCC Cabinets reserves the right to refuse any modification requests for any reason at any time.

Display Cabinet Policy

Please contact one of our sales representatives to receive more information on the subject.

Deliveries

As a result of our swift lead time, schedules for deliveries cannot be determined or finalized until the evening before the ship date. We make it our utmost responsibility to contact our customers the evening before, or the morning of the delivery date. If we cannot contact you regarding the shipment, it will be delayed.

Please note:

There will be additional charge for deliveries returned to us for any reason and need to be rescheduled. If our driver must wait more than 30 minutes at a stop, it will automatically be rescheduled. Take advantage of the CCC Cabinets jobsite delivery service and advise your representative about the time of the delivery. Please confirm that the address which is given on the order is the address for the jobsite delivery. Our deliveries are curbside drop off. Our driver is not responsible for moving any of our products into a desired location. Our standard delivery prices are

\$ 100 plus \$5 per mile

Each stop \$100 upon milages

Downtown (+ \$50)

Out of state deliveries will automatically add \$100 to the delivery fee.

If you wish to have our driver move the cabinets into your desired location, you must discuss the price with one of our sales representatives at our office. The price will change according to the amount of cabinets, and/or difficulty to move the cabinets.

Our deliveries will be made with a vehicle weighing up to 24,000 lbs. All jobsites must be accessible with a truck that is 12'0 tall, and 8'0 wide. CCC Cabinets trucks will not go off road. There must be a paved road or driveway. If our driver is directed to pull onto a driveway or sidewalk, CCC Cabinets will not take any responsibility for any damage that may occur. Please confirm that it is a viable delivery site.

Our customers may also pick up orders at our CCC Cabinets warehouse. Please mark whether your order will be delivered or picked up on the form. Pickups can be made during our location's operational hours. Our employees are available to lend a helping hand with loading. We allow tail-gate pickups, and personal vehicles. CCC Cabinets reserves the right to refuse pickups at CCC Cabinets' discretion. CCC Cabinets also reserves the right to oppose any orders that are not confirmed within at least 1 – 2 days prior to pick up date.

Claims/Replacements

We ask that you verify your order is correct and undamaged before signing our packing list for a delivery or pickup. Please be advised that missing or incorrect order claims will not be accepted after signing off a packing list. Note any visual damages or missing items directly to our email at info@cccabinets.com or call our office immediately. Claims must be made within 7 days to be accepted by CCC Cabinets. Cabinet Construction & Care

Differences in wood color are a result of mineral variation found in the tree's origin. Color changes can occur due to different exposure to light. Wood is known to display knots, pinholes, snap runs, mineral streaks, and darkening with age. These characteristics are considered the natural beauty of wood that can be seen in your cabinetry. We advise to keep cabinets dry and use a soft clean cloth with a mild detergent and warm water to be dusted/cleaned. Wood polishes can be used but please avoid silicone or wax products as they can cause damage to the cabinets.

Warranties

There is a 5-year limited warranty on defects in material and workmanship on our cabinets. 2-year limited warranty on painted finishes. Warranty is not transferable, and proof of purchase is required. Warranty does not cover CCC Cabinets products that have been misused, mishandled, improperly installed, modified, or exposed to excess moisture/temperature. Natural wood characteristics are not considered defects. Please do not send defective items without submitting a claim first. Pictures of item defects may be requested by CCC Cabinets to process warranty. To submit a warranty claim, contact CCC Cabinets by phone or email.

Forms of Payment

We accept cash, check, certified check, credit card, and wire transfers. Credit Card fee is 2%, no fee for debit cards.

Discounts

Details on special discounts or promotions can be discussed with a CCC Cabinets sales representative. Discounts will only be applied to our merchandise, not on assembly, delivery, or modification fees.

Tax/Exemptions

Dealers are required to present CCC Cabinets with a resale certificate for exemptions. Please fax to 847-892-3390 or email to:
info@cccabinets.com

Past due Balances

CCC Cabinets will charge a 3% late fee interest on the 1st of every month on all past due balances. We advise to make payment as soon as possible to avoid this late fee.

Returned Checks

There is a \$35 fee for any check that is returned. CCC Cabinets reserves the right to remove any promotional discounts applied to the invoice if a check is returned. Full Payment will be required to complete order.
